

GQA Level 2 NVQ in Sweeping Servicing and Inspecting Flues and Appliances (Construction)

Qualification Number: 610/2280/9

Qualification Specification

Who is this qualification for?

This qualification is aimed at individuals wishing to prove they have the level and range of knowledge and skills required to sweep, service and inspect flues and appliances. All work must be completed following Industry recognised Safe Working Practices and in accordance with relevant legislations.

This qualification is at Level 2, although some units may be at different levels and should be taken by those who are fully trained to deal with a range of tasks and situations and carry out the installation work in situations that have complex requirements.

Entry requirements

There are no formal entry requirements for learners undertaking this qualification. However, centres must ensure that learners have the potential and opportunity to gain the qualification successfully.

Qualification support

This qualification has been designed and developed by CITB as the Standards Setting Body for the Construction industry.
