

Who is this qualification for?

This qualification is aimed at individuals wishing to prove they have the level and range of knowledge and skills required to install Interior Systems in the Construction working environment. Although it is not expected that all workers will complete the same tasks, there are 5 mandatory units and then 3 Pathways -

## Assessment Guidance

Evidence should show that you can complete all of the learning outcomes for each unit being taken.

### Types of evidence:

Evidence of performance and knowledge is required. Evidence of performance should be demonstrated by activities and outcomes, and should be generated in the workplace only, unless indicated under potential sources of evidence (see below). Evidence of knowledge can be demonstrated through performance or by responding to questions.

### Quantity of evidence:

Evidence should show that you can meet the requirements of the units in a way that demonstrates that the standards can be achieved consistently over an appropriate period of time.

### Potential sources of evidence:

The main source of evidence for each unit will be observation of the candidate's performance and knowledge demonstrated during the completion of the unit. This can be supplemented by the following types of physical or documentary evidence:

- Accident book/reporting system
- Safety record
- Training record
- Audio evidence
- Witness testimonies
- Photographic/ video evidence
- Notes and memos
- Telephone/e-mail records
- Customer and colleague feedback
- Records of equipment and materials
- Work records

Please Note that policies, Risk Assessments etc, are not normally acceptable evidence for GQA qualifications unless accompanied by a record of a professional discussion or Assessor statement confirming candidate knowledge of the subject. If you are in any doubt about the validity of evidence, please contact your GQA EQA.
